To Whom It May Concern

C4 Development Ltd as the manufacturer of Alcovisor breathalyzers hereby confirms, that ROVICO (Rovico Byroo Ltd. Pärnu road 141, Tallinn 11314) is our only and exclusive partner for all sales and maintenance in Estonian Republic and in Latvian Republic.

ROVICO is the only company who is authorized by us to carry all calibration, maintenance and other service work of all our breathalyzers in Estonia and Latvia. All units maintained or opened by any other person will not be covered any more by any warranty.

C4 Development Ltd confirms that any Alcovisor breathalyzer sold in Estonia or Latvia is covered by warranty and availability of spare parts only if they were imported and originally sold by ROVICO.

C4 Development as the manufacturer will take absolutely no responsibility and offers absolutely no support to any Alcovisor breathalyzer in Estonia and Latvia that are not imported by ROVICO.

C4 Development as the manufacturer confirms, that our products for different markets have different technical characteristics and are not the same. Units of Alcovisor Mercury, Mark X, Mark V, Jupiter, X2 have special working programs, made exclusively for ROVICO.
